

KZN Mare & Weanling Sale Prices

Goldkeeper Mare Tops at R240k

Goldkeeper mare Mat Gold made top price of R240k at the KZN Mare and weanling sale last week. A winner of six races from 1400m to a mile, Mat Gold proved herself a sand runner above all else (MR 94 vs.

MR 84 on turf). She was bought on account of Moutonshoek, which stands new sire Mambo In Seattle in 2010. Highest priced of the mares-in-foal section was 3-time winning miler Spirit Leader. A 3-time winner by Rakeen from the Let Kiss family, she changed hands at R100k to join the Klawervlei band. R110k also was the top price paid for a weanling. This was for a Victory Moon filly out of Miss Kiri, who is half sister to Gr1 winner Talahatchie and to the dam of July-hope Lizarre. Backworth Stud made the winning bid.
