

**GRANDWEST MARE SALE PRICES 2009**

# Rich Man's Gold Tops At 360k

**Four-time winning mare Even Money, a stakes winning daughter of Rich Man's Gold with an 86 merit rating, topped the Cape Mare Sale at GrandWest on Monday. Even Money, who sold as a mare for stud and wasn't covered, comes from the family of Guineas winner Pointing North and top sprinters Rodoille and Blue Tiger. A R40k yearling in 2004, the mare was knocked down for R360k to Mike Sharkey, who also shelled out R100k for a winning daughter of Kabool from a strong English family. She's in foal to Var and sold with a Victory Moon colt at foot.**

**The sale grossed R1.9 million with just 38 mares sold, while 29 lots failed to find a buyer – the market clearly is highly selective in what it wants and what not. Even so, some fifteen of the 38 mares sold went for R10k or less. Seven mares fetched R100k or more.**
