

GRANDWEST YEARLING SALE

Jet Master Soars To Great Heights

In the absence of yearlings by other major stallions such as Fort Wood or Western Winter, Jet Master progeny was all the rage at the GrandWest yearling sale held at Sandringham near Paarl last weekend. Top price was R750,000 paid by Chris van Niekerk for a colt out of one-time winning Al Mufti mare Sweetveldt. Consigned by Dan de Wet's Zandvliet Stud, the colt hails from the strong Corn female line. He's the second foal of his dam, whose first foal (a full brother) sold to Mike Bass for R380,000 last year. The latter secured the highest priced Jet Master filly later in the sale, after a protracted bidding duel with Hassen Adams. This was another Zandvliet product, first foal of the mare Gem Queen, from the stud's potent 'Susan' family.

The GrandWest sale grossed R16 million with 180 yearlings sold, at an average of R92,000, up from last year's R84,000. The average for colts was R104,000 (R89,000 in 2006), fillies R82,000 (R78,000 in 2006).

Full results, grouped by sire, with SI (Sale Index, comparing price of the yearling to that of the average yearling of the same sex at the sale):
