Silvano Main Man At Sibaya

BloodStock SA's Sibaya Yearling Sale continued in the record-breaking vein of its two yearling auctions earlier this year. The sale at Sibaya Casino realised R12 million, which represents a 29% increase on last year's tally while the average rose 32% to R65.000 from R49.000 to set a new benchmark for yearling auctions in KwaZulu-Natal. For good measure, the pass-out rate nudged higher to 84% from 80%.

Northfields' Robin Bruss spent R350 000 to secure sale-topping Sunny Jim, a chestnut Silvano colt out of Summer Line, a seven-time winner including the Grade 1 Natal Oaks. The purchase contributed to Silvano, Germany's champion freshman sire in 2005, heading the list of both leading sire by average (R202.000) and aggregate (R1 million).

Other yearlings that fetched more than R200.000 is the R270.000 paid by Glen Kotzen for Opera King colt Counter Tenor and the R220.000 realised by Jolie Angelina and Vil Razza. Silvano filly Jolie Angelina is a half-sister to Joey Ramsden-trained Set To Music, successful in the Grade 3 Cape Winter Derby and runner up in the Grade 2 Gold Circle Derby. She will join Ricky Maingard's string in the Western

Cape while Vil Razza - another of first-season sire Opera King's progeny that sold well - is headed for Paul Lafferty's Summerveld barns in KwaZulu-Natal.

Craig Ramsay's Golden Acres Stud emerged as the sales' most prolific vendor with the farm's 25 yearlings fetching R1,18 million at an average of R47.320. Vaal-based trainer Cyril Naidoo topped the buyers' list having snapped up 12 individuals for R564.000.

Byron Kennedy, BSA's marketing manager, said: "The Sibaya Yearling Sale exceeded all our expectations with both the aggregate and average increasing in the order of 30%, which effectively replicates the performance of the National Yearling Sale."

He adds: "Attendance throughout the session was particularly pleasing, contributing to a solid buyer's bench. Buyers were highly complimentary about the luxurious casino setting, underlining the obvious importance of catering to the market's requirements."

The Sibaya Mare, Weanling & Mixed Sale takes place at the same venue on Monday 3 July where 89 lots will be offered from 1pm onward.

R300.000 Count Dubois Weanling

John Freeman set a new South African record for a weanling, when outbidding spirited opposition to secure a colt out of Gr2 placed mare Bacci for R300.000. The youngster is his dam's first foal, the mare a daughter of multiple stakes winner Glad Singer, from the family of Breyani. Second highest price was R90.000 for a filly out of imported Caerleon mare Estime, signed for by Highlands.
