STUD ANALYSIS

First season at stud in 2008

PEDIGREE

Express Way carries a triple of genetic relatives Flaring Top (from Nijinsky), Bolero Rose and Exclusive Native. In addition he has genetic relatives Flaring Top, First Rose (dam of Bolero Rose) and Klairon (sire of Luthier). The latter gains importance since Luthier appears to be the key horse in the dam of Express Way. Luthier's sire Klairon is a close genetic relative of Menow and of Ballymoss, the latter finding genetic relative Sheshoon in the grandam of Express Way. Luthier's dam is a genetic relative of the grandam of Sassafras (by Sheshoon), sire of Express Way's grandam.

SUITABLE LINES for Express Way may include combinations of Ballymoss and kin links like Mixed Marriage (Fine Edge & other Sharpen Up, Gone West, etc.), Court Martial (Lyphard, Elliodor/Model Man), Casey Tibbs; First Rose (Goldkeeper, Storm Cat); Klairon (Irish River/West Man; Spectrum); Buckpasser, Nijinsky, Blushing Groom (Jallad); etc.
