PEDIGREE

There are several sets of kin-breeding in the bottom female line of Crusade. They link individually through the female line of sires First Landing (through ancestress Syzygy), Miswaki (through ancestress Atzimba), Johannesburg (through ancestress Provisions).

In Syzygy, her sire First Landing is a son of Hildene, also female line ancestor of successful US sire Speightstown, who is by Gone West (also the sire of Mr Greeley).

Coincidentally, Atzimba is close kin to the grandam of Speightstown, as well as to Gone West.

In Atzimba, her sire Miswaki's female links through Leah Lark/Colosseum, also female line ancestor of SA sires Folmar, Father Rooney, Linney Head.

The sire of Provisions is Devil's Bag, a half brother to Rakeen. The latter is very close kin to Provisions. In this pedigree Provisions links through the female line of Johannesburg, who is from the same female line as sire Lecture. Provisions is close kin to Lecture.

There are several repeats of Mr Prospector in the female family - the significant kin-lines of Mr Prospector (Sequence, Miss Dogwood) have strong kin-links with the female line of Crusade.

SUITABLE LINES for Crusade could include Mr Prospector, who is widespread, but notably through Gone West (Western Winter, Count duBois, Dupont, West Man, Indigo Magic, Modus Vivendi, Surging River; Speightstown); Colosseum female line descendants (Folmar, Father Rooney, Linney Head); Hildene female line descendants (Manshood); Rakeen (Jet Master) and relatives Rahy, Singspiel; Lecture; Danehill Dancer (whose own kin-breeding leads to Danehill, and local sires Announce, Sarge, Damascus Gate); etc.
