Attention: Ms Anne-Marie van Heerden

Via e-mail: annemgoba@icon.co.za

Dear Ms Van Heerden

APPLICATION FOR THE AMENDMENT OF LICENCE CONDITIONS BY PHUMELELA GAMING AND LEISURE LIMITED AND DISPUTE RELATING TO THE PROPOSED FEES TO BE CHARGED FOR DISSEMINATING HORSE RACE MEETINGS

We confirm that the Board had, after deliberation, resolved as follows:

- The request of Phumelela Gaming and Leisure Limited to withdraw its applications for the amendment of certain conditions is denied;
- The applications and the complaint lodged by the Gauteng Off-Course Bookmakers' Association are to be heard by the Board simultaneously, on a date to be determined for such purpose; and
- In the interim, Phumelela is directed to ensure that the *status quo ante*, regarding the provision of the entire Tellytrack channel to bookmakers, is immediately restored at the price at which the Tellytrack channel was provided in 2013 plus inflation. Any excess costs incurred by Tellytrack's clients are to be credited to such clients.

Yours faithfully

MR BHEKI NKOSI
