8/1	Defending Champion	A very competitive race to open the meeting, with an evenly matched field consisting of 2 in form 3 year olds that would quite easily have been at home in the Kenya Guineas to be run later on today. ALLEGRA comes here with 2 wins under her belt over 1400m and 1600m and a nice run in November when she failed to give WESASHA 9kgs, but finished 2 nd ahead of MAASAI KING and RIVER KING who takes his chances in the Guineas. ROYAL SILK won the Spencer Tryon Trophy 5 weeks ago taking the scalp of MILITARY SONG and TEMPESTA to prove that he is no pushover in top class company. DEFENDING CHAMPION takes a drop in class after going 11 runs without a win. She was useful as a two year old and showed plenty of courage in her three year old season, however she carries a bundle of quirks in her head and may have to settle for a place today even though she has the benefit of Zimbabwean Champion Jockey Quinton Riddle. HUNTING CALL will not be far away today with the services of Jockey Khathi who produced a phenomenal run out of this horse to win in some style during his last visit to Kenya. SANTA ANNA & GO PUBLIC need to show some form in this company and over this trip to feature in the finish of this race.

8/1	Almeria (SAF)	TRADE SECRET stands out as a good strong candidate to take this race after a very eye catching run in the H.V.PIRIE TROPHY. He also slaughtered his field by 6 lengths hard held to win his maiden on his second appearance on the track. This is a very good-looking animal with a high cruising speed and the ability to quicken well enough at a pace. I expect TRADE SECRET to take care of NEEDSUMLUCK with some authority even though NEEDSUMLUCK has a win under her belt over 1800m. CARLA, who has age, experience and a bundle of wins under her belt, looks to be finding some form right now and with luck in running should be close to the front two at the line. ALMERIA is now 6 runs since she last won a race and is a shadow of her former self, tends to make the running these days but finds no extra at the business end of the race, this mare could be a good one to include in the trifecta and the quad!

5/1	Bolt	The longest race on our Racing Calendar and, even though we have a small field of runners for this prestigious cup, there are 4 horses here that will make this a proper contest. STAKE UR CLAIM was all conquering last year and this could be a good point to continue on his winning ways. He has a very easy running style and will not be fazed by the 2 miles. SHUFTI will be looking to make all at a good pace in order to ensure that this will be a true test of stamina and take the sting out of STAKE UR CLAIM in the last 400 metres. BOLT from the same stable as STAKE UR CLAIM has his fair share of quirks but a small field is not one of them. He loves small fields and has shown that he has the ability to win over most distances. 3200m may be a stretch for him but leave him out of your calculation at your own peril. I can see him flying at the finish down the centre of the track with no horses around him making the most of pegging SHUFTI & STAKE UR CLAIM before the line! USURPER completes the line up of those with a chance at glory. She loves a good gallop and has good speed at the finish, the 3200m will not frighten her!

20/1	Hood	The first race of the pick 6 and this looks easy, however it is a race for horses that have never won a race and therefore the only form to work on is indeed suspect!! There are at least 6 horses in this race that must be taken into account for your chance at the pick 6. They are BESTOW, HALF CUT, IRON EAGLE, WAR HORSE, ADRIANA & AFRICAN SONG. WAR HORSE & IRON EAGLE head this short list of hopefuls having come close to glory on a number of occasions. In a difficult race for maidens over what is very much a trip for specialists, I am going to take WAR HORSE to get the better of IRON EAGLE with HALF CUT and AFRICAN SONG not far away.

JOIN A SYNDICATE

Join a syndicate and enjoy the thrill of racehorse ownership. After the initial cost of purchasing a horse, training fees can be as little as KSh3,000 per month depending on the number of people in the syndicate.

A syndicate can be of any size with a minimum of two members. Start talking to friends now to form your syndicate for the 2014/15 Racing Season.

The joy of escorting a winner in the parade ring is probably the most satisfying part of racing and other benefits of being a member of a syndicate include:-

- Share of any prize money won by your horse
- Share of sales price if the horse is sold or stud fees
- An owner's badge for the racing season
- Spread your risk, such as low training fees (as costs are shared between syndicate members)
- Good way of learning before making the plunge of owning a racehorse on your own and
- Above all, the excitement of watching your horse run

Enter into the world of racehorse ownership and watch your horse develop and rise to its full potential.

3/1	Baba Mustafa	BABA MUSTAFA heads up this list of sprinters as he is in the form of his life having just come up with a couple of very nice wins down the straight in his last two outings! As a result, he has gone up in the handicap and now faces the likes of WORLD OF APPROVAL in receipt of 6kgs! WORLD OF APPROVAL is his own worst enemy and has a tendency to get beat when he has looked like a good thing for 1st prize. TRY TO CATCH ME made a brave effort to make all over 1600m two weeks ago going down by a neck to the aged and experienced CARLA. GLITZERN never runs a bad race and has a very high percentage chance of running into a place..so almost always a good bet for the place pot or just for a place bet! RED EMPRESS beat BABA MUSTAFA over a 1000m in June in receipt of 2kgs, this time BABA has to give RED EMPRESS 7kgs.... the signs are already looking bad for BABA MUSTAFA today and it must be said that it is probably likely that he will get swamped by a few in the last 100m! A good open race in the making with nearly all the horses in this field having a chance at getting to the finish line first!

33/1	Ashmore	SPRING RUN, highest rated 3 year old, looks to have a good chance of making this the biggest win of his life. He has never won around the bend. His 3 runs this season have seen him finish behind highly rated older horses, most recently, behind PENMARRIC in the H.V. Pirie. His last run was very eye catching, 'in touch', taken wide on the bend, then quickened well on a hand ride, running on as though the extra 200m will suit him down to the ground. Definitely a player. HAPPY TIMES, winner of 3 races, looked and performed like a horse going places as a 2 year old with 3 wins from 4 runs. Her first win was in a hand canter. Her 2 nd win over 1400 metres for the Nakuru Champion was equally impressive, as was her third win in the Sir Ali over 1600m. There is no doubt that with the benefit of a great draw in Stall 3, and the SA jockey, she will be tough to beat. PENMARRIC with a hat trick of wins over 1400m, inc the H. V. Pirie. This race is the guide to the Guineas. PENMARRIC, "always handy", sprinted clear in the final 150 metres the way the rest of the field were closing on him, suggests that PENMARRIC is probably best at up to 1400m. There is no doubt that he will be at the head of affairs with 200m to go, I fancy that the likes of KING OF BURMA, WESASHA, FLYING WHISKY, SPRING RUN and HAPPY TIMES will be all guns blazing at the finish for the BRITAM KENYA GUINEAS. There is one unexposed horse in this race. This filly, TAKE PRIDE, beat WAR HORSE by 5l, trained by the all-conquering Mrs P. Sercombe, ridden by Kenya's champion, L. Sercombe. I am sure that TAKE PRIDE has not set foot over 1600m by design rather than by chance. Well drawn in Stall 5 in what should be a very fast race, TAKE PRIDE will feature at the finish regardless of the fact that she has only won one race, is lowly rated at 16. MANZHOULI, DREAM LINER, DRUMLARGAN, ASHMORE, MOTOWN, RIVER KING and CAPE WIDGEON will run to form and their market odds. Any nibbles in the market for any in this group should be noted.

5/2	Nozipho (SAF)	A tricky little race in store for us just after the running of the first classic of the season! NOZIPHO, MAMA MIA, RIFLE RANGE, GOLDEN CLOUD and DOUBLOON all have to be factored in as having a good chance of getting to the post first. NOZIPHO is a winner of 3 races from 1800m to 2800m, but each victory has been by short margins against victims that have never been very inspiring. NOZIPHO is a tough ride and looks like the type of horse that prefers to chase rather than be attacked in the last 300m or so. That said, if she gets the run of the race, she should be good enough to beat the opponents on offer. She did beat BOLT last season who has since gone on to become a 6 time winner! That little bit of form may just be good enough for Champion Jockey Quinton Riddle another winner this afternoon!

20/1	Barbados (SAF)	Another difficult maiden race for 11 horses that are looking to win their very first race. There is one horse that went down very narrowly as a 2 year old in its very first run over 900 metres. The winner that day was ESPIONAGE and the horse behind SEA MUSIC was SPRING RUN who went on to win 4 races that year and is now rated the highest 3 year old and could win the biggest race of his life today in the Kenya Guineas. On the strength of that short head second, I take SEA MUSIC to beat VIVAYSHUS who finished second recently to TRADE SECRET who runs today. DANNY, DRAGONARA, RAJASTAR and PRINCESS OF PERSIA will be fighting for third and fourth place. WILD GAMBLER must also be respected in this field of maidens.

GUIDELINE: SEA MUSIC - VIVAYSHUS - DANNY - RAJASTAR

FULL UNIT BETTING VERSUS FRACTIONAL BETTING

Full unit betting means that you pay the full cost of the bet you are taking and, if you win, are entitled to the full dividend. *For example, Ngong Race 1, Horse No 2, Win bet for KSh100.*

Fractional betting - as the name suggests - allows you to pay for just a fraction of the cost of the bet and, if you win, collect a corresponding fraction of the dividend.

Here's an example:
Having looked at the form, there are four horses you fancy. You decide to box them in a quartet. At full unit, this will cost you KSh480. You only want to spend KSh240. That's what fractional betting allows - you box your 4 horses for KSh240 - that is 50% - and you collect 50% of the dividend if you win.

Note: Fractional betting is only available for 6 bet types, i.e. Trifecta, Quartet, Jackpot, Pick 6, Place Accumulator and Bipot.

The best part is that you have no reason to miss out on our mega net carryovers, especially the Pick 6. Pick any number of horses and stand to win a fraction of the huge carryover pools made available by the TOTE/TAB.

Go on, give it a try: BET AND WIN!
