## Get Top Prices

**SALE PRICES** 2017 NATIONAL TWO-YEAR-OLD SALE 17-18 August 2017

In a what for most vendors was a greatly disappointing sale, the seven highest prices of R500k and more went to progeny of leading sires Silvano, Trippi and Dynasty. There

may have been money for top horses, but with 121 of 446 lots going through the ring not sold there wasn't much to celebrate for breeders. Surprising perhaps was that not more trainers took advantage, with the sales company offering a R40k incentive to all 2yo winners coming off this sale - the median price at the sale was R40k, meaning that half of the lots sold went for this amount and less. Opportunities missed!

John Freeman secured two of the seven highest priced lots, including a sales-topping colt by Silvano for R900k. Consigned by Maine Chance, this one is a full brother to Gr1 placed multiple Gr3 winner Punta Arenas, their dam half sister to champion 2yo Paraca, from an Argentine family.

Second spot was shared by three colts, all going for R600k. Glen Kotzen got a Trippi half brother to Gr1 placed Gr3 winner Chave de Oura, bred by Gary Player out of Gr1 sprinter Wonderful World. The other two were consigned by Klipdrif Stud on behalf of clients - Jehan Malherbe and Dean Kannemeyer teamed up for a Trippi half brother to Kannemeyer's Gr2 winner Solid Speed, while Fred Crabbia secured a Dynasty colt from the Kiss Of Speed family.

The remaining two colts that broke the R500k barrier were Judy Branigan's exceptional looking Silvano full brother to Gr1 SA Derby runner-up Gothic, for which John Freeman signed at R500k, and a Silvano colt out of Gr1 placed Pivotal sprint-mare Headstrong from Wilgerbosdrift, for Dennis Drier at R550k.

The only filly among the top lots was the Silvano half sister to multiple Gr1 winner Master Sabina. The latter's trainer Geoff Woodruff had the last word at R575k for the Varsfontein consigned youngster.

### Sale Index = price SI

the price of the yearling compared to the average price of a yearling of the same sex at the same sale  
- 1.00 means the price is exactly average
