

Addendum 3 – Minor Race Sponsorship

The list of minor races from 1st May 2020 to 31st July 2020, per region, per month is detailed in the schedule below.

We have proposed that each race carries a minimum sponsorship amount of R10 000 per race and that a minimum package of 5 races or R50 000 is set.

However, we will consider any and all bids and appreciate whatever support you can afford.

In order to submit your bid to sponsor minor races in a region please email your bid amount, the region and the races/months you would like to sponsor to the office of the RA before the “closing date for sponsorship bid” detailed in the schedule below to penny@racingassociation.co.za

Your support in sponsoring our minor racing in these times would be greatly appreciated.
