KIN-BREEDING: The focus of kin-breeding in New Approach is a build-up of chained links through successive female line ancestors. These trace to his Significant Ancestor (SigAnc) Sunbird, who is herself very closely kin-bred, and importantly links to Galileo's bottom female line. Sunbird is half sister to Knockaney Bridge (3rd dam of Lalun, dam of Never Bend & Bold Reason) and her full sister Sunbridge. In New Approach' best son Dawn Approach, Sunbird links to kin-breeding in the dam of Dawn Approach.

The 3rd dam of New Approach, Lachine, is half sister to A20 who has a sizeable number of descendants in South Africa.

Sadler's Wells line sires in South Africa:

Flying The Flag, Global View, New Predator, The United States (**Galileo**); Elusive Fort (**Fort Wood**); Act Of War, Futura, Horizon, Jackson (**Dynasty**); Potala Palace (**Singspiel**); Admiral Kitten (**Kitten's Joy**)

represented in SA by Queen Of Light and Picture Play, among others. Sunbird is half sister to Knockaney Bridge, female line of Lalun.

The grandam of New Predator is inbred to Australian sire Better Boy, who is close kin to Klairon, the latter represented in the pedigree of New Approach by Ahonoora (to which New Approach's Derby winner Masar is inbred).

SUITABLE LINES for New Predator could include Lalun's sons Bold Reason (as in Sadler's Wells) and Never Bend (as in Mill Reef, Riverman, etc) - among others, Lalun leads to Fort Wood, Casey Tibbs, Kahal, Second Empire, Daylami. In another kin-link, Better Boy is sire of Century (Seventh Rock, Time Thief), while his kin Klairon is in Ahonoora (Cape Cross, Great Britain, Malhub, Imperial Stride, Flying The Flag), in Twig Moss (Curved Ball, Fastnet Rock), in West Man, Irish Flame, What A Winter, etc. The female line of New Predator (through Picture Play, Queen Of Light) also is in Saumarez, Second Empire, Daylami, Kildonan.
