PEDIGREE

Two of Mogok's three best Gr1 winners, The Apache (TFR 120) and Orbison (MR 112) have similarities in make-up. Their respective grandams are Bold West and Bold Streak.

Bold West is by Jungle Cove, a son of Bold Ruler, out of a mare by Kimberley Kid. Jungle Cove is kinbred 2x2x3 Heliopolis x Alibhai x Miss Kidd. Kimberley Kid is close kin to Heliopolis.

Bold Streak is by Bold Ruler's son Plum Bold, out of a mare by Herculeaneum. The damsire of Plum Bold, Ponder, is close kin to Herculeaneum and to Kimberley Kid. Herculeaneum, whose dam is a full sister to Heliopolis, is very close kin to Kimberley Kid.

Mogok's third Gr1 winner, Gypsy's Warning (TFR 117), is out of a mare by Royal Chalice, whose damsire is Plum Bold. Gypsy's Warning's 4th dam Allegation is very close kin to Ponder (in Plum Bold), as is her sire Alycidon. Allegation also is very close kin to Herculeaneum, Kimberley Kid and Heliopolis.

If this is a pattern, then bringing more of the same to The Apache should make sense. The thrust of it can be summarised to be Hyperion combined with Donatello (and his background elements).

With regard to Mogok's pedigree, Gypsy Queen is kinbred 2x3 Coup de Folie x Apsara (3x4 Halo x Allegation, and also 3x4 Halo x Plum Bold). The dam of Gypsy Queen is kinbred 3x2 Plum Bold x Apsara (4x3 Plum Cake x Allegation).

Added to this, The Apache and Orbison have the same remote female line ancestry. This is Family 3, tracing to the mare Vex, a full sister to highly influential stallion Galopin (sire of St Simon). That's a good few generations back, but it does make for kin-related ancestors closer up in the bottom female line. The Apache's branch, through Turbinia, leads to Sun Lass and her full sister Your Hostess (dam of Party Time). Descendants from Orbison's branch include Royal Affair, Indian Spice (inbred, by Royal Affair), Prosperous.

All these are well represented in South African bottom female lines, and could be significant.

SUITABLE LINES for The Apache could include strong lines of Donatello and Hyperion, widespread in South Africa: Elliodor, Count duBois, Dominion Royale, Goldmark (!),

Jallad, Horse Chestnut, Fort Wood, Jay Peg, Kildonan, Second Empire, Toreador, Kahal – in essence anything with Alycidon or Acropolis (Toreador has both), Aureole, Crepello, Herculeaneum, Kimberley Kid, Heliopolis; then Plum Bold, Jungle Cove; from the female line kin-breeding perspective Party Time (notably with Elliodor), Sun Lass (eg Gallantry, by Plum Bold), Royal Affair (Indian Spice), Prosperous; female line descendants from the family of Gypsy's Warning (or this family through males incl Jan Ekels, Lucy's Axe).
